STUDENT LIFE

Choosing to study at UVSQ means choosing a university on a human scale.
Joining UVSQ, you will have the opportunity to enjoy a campus life full of energy. UVSQ also values all talents by offering programs outside the student curriculum (free EU). In addition to the main academic disciplines, students have the opportunity to participate in an artistic, sporting, social or associative EU valued by ECTS in order to develop new skills or simply to perfect their general knowledge.
